

Convert PDFs to PDF/X, PDF/A, or PDF/E

You can validate PDF content against PDF/X, PDF/A, PDF/VT or PDF/E criteria. You can also save a copy of the PDF as PDF/X, PDF/A, or PDF/E, provided it complies with the specified requirements. For example, under certain circumstances, an ICC profile that describes the destination device is required for PDF/X-1a, PDF/X-3, and PDF/X-4 compliance. If your document doesn't have an embedded ICC output profile, you can embed one before saving.
